

RADIANCE EXPERT

WITH GOODNESS OF DRAGON FRUIT

The Radiance Expert Range comes with the goodness of Dragon Fruit Extract. Dragon Fruits are rich in antioxidants that help fight the free radicals and ageing process. Vitamin C in Dragon Fruit helps protect the skin from dullness and leaves the skin fresh. Hence, this range not only makes the skin look younger, but also makes it shine and glow.

ACTION	Maintains the natural oil balance of the skin and soothes it gently with enriched vitamins from Dragon Fruit and other organic extracts.	The warmth of the scrub helps in pore opening and removes dead cells, making the skin velvety soft with purifying organic extracts.	Improves blood circulation in the facial area that helps in closing open pores and helps skin glow organically.	ACTION	The formulation is rich in antioxidants that help fight free radicals and slow down the ageing process, thereby making your skin look much younger and radiant.	The extract rich in minerals, helps boost skin glow by penetrating deep into the skin, hydrates it and makes it radiate.	The goodness of organic extracts stimulates blood flow in the facial area, boosting its radiance and smoothness.
